**Do you have sailing knowledge and love to teach the ins and outs of sailing?
Why not become a Junior Instructor at Charleston Community Sailing!**

The Junior Instructor program is a leadership development program designed to enrich the teen's life skills. As a JI, you will provide general help in many areas of the Community Sailing Program. Help sailing participants rig and de-rig boats, coach participants on the water, hop aboard a boat and help the 'crew' find their way. From office work to rolling sails, each Junior Sailing Instructor works closely with the Community Sailing staff to provide participants with a fun-filled learning experience. Help others learn to sail as you too get the chance to get out on the water. Opportunities for growth will begin with the application where each applicant should complete the form(s) with little or no assistance.
